Good morning, David:

I am writing to follow up on the Company's request for a new procedural schedule, which was filed with the Commission on December 10, 2021. The Company's and ORS's direct testimony is due to be filed on **December 20, 2021**, which is prior to the deadline for the Company's answer to be filed. Therefore, the Company has respectfully requested a new procedural schedule in which the Company's direct testimony is not due prior to its answer or other responsive pleading. Further, Ms. Finney responded on December 12, 2021 to the Company's request via email noting that she had no issue with the requested date changes.

The Company respectfully requests a new procedural schedule for the reasons detailed above. Thank you in advance for your consideration of this request.

Kind regards,

Katie
